

2027 NIDA Genetics and Epigenetics Meeting

April 12–13, 2027 | Natcher Auditorium, NIH Campus

Symposium Submission Instructions

You and your colleagues are invited to submit a session proposal for the 2027 NIDA Genetics and Epigenetics Meeting, to be held April 12–13, 2027, in Natcher Auditorium on the NIH Campus. Each proposed speaker must confirm their participation by submitting an abstract as part of the session proposal. Prior-meeting abstract examples are available through the [event website](#). The Genetics and Epigenetics Cross-Cutting Research Team (GECRT) encourages the inclusion of early-stage investigators in the planning and/or delivery of proposed sessions.

Submission email: NIDAGeneticsMeeting@nih.gov

Deadline: Wednesday, November 18, 2026

Session Information

Session title: [Enter title]

Goals and objectives: Provide a concise summary (100 words maximum).

Chair 1 — Name

Institution

Email

Career Stage

Chair 2 (optional) — Name

Institution
